How to Add Your Access+ Badge to LinkedIn

Follow these steps to showcase your Golden Key Access+ badge on your LinkedIn profile.

Option 1: Add to 'Licenses & Certifications'

1. Go to your LinkedIn profile.

2. Scroll to the 'Licenses & Certifications' section.

   (Or click 'Add profile section' > 'Recommended' > 'Add license or certification.')

3. Fill out the form with the following details:

   - Name: Golden Key Access+ Member

   - Issuing Organization: Golden Key International Honour Society

   - Check: 'This credential does not expire'

   - Issue Date: (use the month/year you joined Access+)

   - Credential ID: (optional - use your member ID if available)

   - Credential URL: https://academy.goldenkey.org

4. Click Save.

Option 2: Add to your 'Featured' section

1. Go to your LinkedIn profile.

2. Scroll to the 'Featured' section.

   (Or click 'Add profile section' > 'Recommended' > 'Add featured.')

3. Click '+' then 'Add Media'.

4. Upload your Access+ badge image (PNG format).

5. Add a title (e.g., Access+ Member) and a short description.

6. Optional: Add a link to https://academy.goldenkey.org

7. Click Save.

Tips

- Use the shield badge with a transparent background for a clean, professional look.

- You can also share your badge as a LinkedIn post to announce your membership!
